Stronger Together

SCHOOL PROSPECTUS

Welcome to
The Humberston Church of England
Primary school.

Nestled in the heart of Humberston, we serve our local community and beyond, welcoming pupils of all faiths and none.

We recognise and value that children are all unique and we are dedicated to developing each and every child through our tailored curriculum, high behaviour expectations, strong parent partnerships and the nurturing environment we provide.

Our highly talented teaching staff, including 5 specialist leaders of education, expertly deliver inspiring lessons, which motivate and enthuse every learner, enabling all to flourish and foster a strong sense of resilience and curiosity as they grow.

Welcome

TO THE EARLY YEARS FOUNDATION STAGE

Let the adventure begin!

Our Early Years Co-ordinator

Mrs. McGovern, our Early Years coordinator is passionate and dedicated in ensuring our Early Years Foundation stage is a safe, fun and stimulating place to learn, where everyone is welcome.

We believe powerful learning begins here, in an engaging and exciting environment which encompasses many real life experiences. Our broad and balanced curriculum ensures that children are given these opportunities and are challenged to fulfill their full potentials.

We believe that every child is unique and has access to provision which enables them to develop their talents, abilities, relationships and personalities irrespective of their ethnicity, religion, disabilities, home language, family background or gender.

LEARNING IN THE EARLY YEARS

Children in the Early Years follow a framework called **Development Matters** and they work towards achieving the **Early Learning Goals**.

The national expectation is that most children will reach the early learning goals by the end of their Reception year. However, we know that every child is an individual and will be supported to make progress at his or her own pace.

7 Key Areas of Learning

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development
- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design
