Year 3 & 4 Parents Workshop

The children in Year 3 & 4 have had a fantastic time this week at their class parent workshops. To link in with this terms topic, they had the opportunity to create their own biomes in a box using natural resources and recycled materials! The children along with their parents created some brilliant biomes and had a lovely afternoon getting creative!

Year 5 & 6 Quad Kids Competition

On Thursday, a group of children in Year 5 & 6 competed in an athletics competition at King George along with 16 other local primary schools. The children all took part in a 75m sprint, 600m run, vortex throw and a standing long jump. All the children had great fun and showed excellent team work cheering each other on and showed huge determination when competing. Miss Easton and Mrs Carlton were very proud of all those who took part – congratulations!

Sports Day

The children are eagerly awaiting their annual Sports Day, which this year will consist of a carousel of races and sporting challenges maximising participation in each event. Parents are welcome to come along and cheer on their child as they move around the stations.

Sports Day will take place on the school field, weather permitting, on Tuesday 17th of June.

10:45am - 12:00pm = Classes 4 and 5

Hall of Fame

We love hearing about all of the wonderful ways in which members of our school community (staff, children and parents too!) have been living out our Christian vision to unlock possibilities and make a difference - by raising money for charity, taking part in sponsored events or working hard at a new skill, for example! If you would like your achievements to be celebrated on our website's Hall of Fame with the possibility of being displayed in our school entrance, please email any photos and a brief explanation to office@hcep.co.uk
