NEWSLETTER

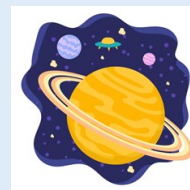

Friday 30th January 2026

Can we please respectfully remind parents that parking in front of our vehicle access gates is strictly prohibited. This is not only access to the staff/visitors car park but an emergency access for ambulance/fire brigade etc. Blocking and maneuvering vehicles in this area could have serious consequences from hitting a child or adult to preventing emergency services attending. Please respect these rules, it could be your child that is injured in an accident or denied medical attention due to access being blocked.

Planetarium Visit—Year 5 and 6

On Tuesday 20th January, Year 5 and 6 enjoyed a visit from StarLincs Planetarium. Each group ventured inside the inflatable dome to learn more about their topic from an expert in all things to do with Space. We had the chance to learn more about the planets in our solar system and why we experience different seasons. We learnt about stars and different constellations while star gazing and had the opportunity to ask lots of great questions. We all gained lots of new knowledge about Earth and Space!

“Unlocking possibilities, making a difference”

‘I can do all things through Christ who strengthens me’ Philippians 4:13
