NEWSLETTER

HAPPY NEW YEAR!

Foundation Stage / Key Stage One Dinosaur Workshop

On Thursday 10th January Foundation Stage and Key Stage 1 children were surprised when a huge T Rex emerged from the PE cupboard during our Dinosaur Workshop! The children learned lots of interesting facts about dinosaurs, and were amazed to learn that a T Rex had very blunt teeth! Jam showed us how a T Rex would swoop down to eat its food and the children were very glad that he had already had his breakfast! Later in the day the children used green screen technology to make a movie about being chased by a dinosaur through the jungle. All the children thoroughly enjoyed learning through this interactive, fun workshop - it truly was a day to remember.

Class 6 Worship – Monday 21st January 2019

On Monday 21st January 2019 the children from Class 6 will hold a special worship to introduce the Christian value for this term which is Justice. This term the children will be working on the important value of Justice, its meaning and what it means to them. We would like to invite all the parents of Class 6 children to come along and share in this very special worship. Please enter through the main office at 9.00am once you have dropped your children off at their classroom. We look forward to seeing you!

Internet Safety

Internet safety is one of the many aspects of the children's learning in which your support and involvement is most valuable. Please take the time to browse our new website page which contains links to useful websites and publications to support our partnership in this respect. We will be holding this terms internet safety day on Monday 4th February.

Child Psychologist Drop In Session

In December we held our first Child Psychologist Drop In Session and due to its success plan to make this a regular diary date. The next drop in session for parents with our Child Psychologist will be on Wednesday 30th January 2019 9.00am to 10.00am. If you have any concerns about your child's development please come along for a coffee and an informal chat. Please enter school through the main office.

Exciting times ahead!

During this year's Summer break we will be investing in some amazing new sporting facilities! We plan to build a Multiuse Games Area (MUGA) which will allow our children to explore a variety of sports on a different surface during lunch times, P.E. and after school clubs. In addition we also plan to install a Multi Gym for the children to use. These areas will be linked with a path running around the perimeter of the school field, allowing children a larger area to play in during their break times. In order to turn these plans into reality we need your help! Throughout this year we will be holding a variety of sponsored events which will include sporting events, reading events and more, so keep your eyes peeled! As always, we thank you for your continued support and are looking forward to developing our sports and play equipment even further!

See below a draft of our intended plans.

Parking Reminder

Can we remind parents not to use the school car park for dropping off children for breakfast club or any of the before school activity clubs. For the safety of your children and others arriving for school please do not drop children off at the gates or in front on the school. We have been informed that if you are identified as being parked in the yellow hashed area you may be subject to an instant fine of £70.00. Thank you for your consideration.

Reminder – No nut policy

Could we please remind all parents to respect our 'no nut policy' and ensure that you do not include nut-based foods or foods made from nuts or peanuts in your children's packed lunch. Thank you for your consideration for those children who have allergies.

Diary dates

Monday 21st January 2019 – 9.00am – Class 6 Worship – all parents of Class 6 welcome
