NEWSLETTER

As this is our final Newsletter of this academic year we would like to start with a message from our Governing Body.

As another busy, challenging and highly successful academic year is about to come to a close, it is always impressive to look back and see how much the school as a whole has achieved. The way that the whole school community of staff, Governors, parents, carers, children and the wider community work so closely together to achieve the best outcomes for our children ensures that The Humberston Church of England Primary School remains and continues to develop as a good school.

On that note, I would like to take this opportunity on behalf of the Governing Body to thank Mrs Everitt, Mrs Ranshaw, Senior Leaders and all our teaching staff for their commitment and professionalism that they have given during this last academic year to ensure that your children are receiving the best education. We must also not forget all the dedicated non-teaching staff within the school that work tirelessly behind the scenes. I would personally like to thank each and every one of you for your input during the last academic year.

I always read with pleasure the Newsletters that keep me informed of sporting events and competitions, off site adventures and wonderful enriching activities that staff provide for the children. I have been extremely privileged to have experienced first-hand some of these marvellous events, such as Christmas concerts, sports days, Bring and Buy sale, Enterprise Day and various class workshops! It is heart-warming to see so many other parents and families attending and supporting many of these activities so thank you to all for your enthusiasm and commitment as always as well as the staff for their hard work.

Sadly, it is that time of year again when we say farewell to some children across the school and their families, as well as a very special group of children, our Year 6 pupils. Our leavers individually and collectively have achieved so much. Their level of personal achievement, alongside their academic achievement has been excellent. So Year 6, we will miss you but know that you are ready for a new challenge. Good luck in Year 7 and we wish you all the best for the future. Thank you to the families for all the support each one has given to the school during your time with us.

Finally, I would like to wish you a safe and happy summer break and hope that you all come back rested and refreshed.

With all good wishes.

Mrs Taylor – Governor and all the Governing Body

Year 2 Church School's Festival

On Tuesday 2nd July our Year 2 pupils visited Grimsby Minster for a fun filled day of activities to celebrate being part of the local church school's family. The children had a fantastic time starting with a tour of the Minster and learning all about the history of the building. The theme of the day was teamwork and the children worked collaboratively with children from other church schools from the area to create a piece of a colourful cross. The children also took part in a drama workshop and a singing workshop. The day ended with an act of collective worship which was led by Year 6 pupils representing the schools who gathered together for this important event.

Year 5 Arts Festival at Humberston Academy

The children in Year 5 thoroughly enjoyed taking part in the World Arts Celebration which was held at Humberston Academy on Tuesday 2nd July. The day comprised of three performing arts workshops which the children took part in throughout the day – music 'Trash Band', dance/movement and singing. All their hard work and learning resulted in a concert at the end of the afternoon. Thank you to all the parents who were able to come along and support the children in their efforts – we hope you enjoyed the performance as much as we did!

Year 3 & 4 Violin Performance

During the last few weeks' parents of the children in Year 3 & 4 have been invited to a violin assembly. The children showcased the violin skills they have been learning over the academic year and played some beautiful pieces. The parents also played a part in the assembly when the children showed them how to play the violin! Parents commented 'super morning watching and learning the violin!', 'really enjoyed listening and joining in – you sounded fabulous!' and 'fantastic to see how much the children have learnt, great opportunity'. Thank you to all the parents who came along to support the children and a big thank you to Mrs Townell who comes in to school to teach the children! Well done.

Handball Competition – Year 5

On Thursday 4th July two teams of Year 5 children went to the last Schools Sports Partnership competition of this academic year which was held at Oasis Wintringham Academy. After seven gruelling 8 minute games, our teams came a very respectful 8th and 3rd place out of all the other local schools involved. Another fantastic event which saw some incredible sportsmanship and perseverance from all involved. Well done Year 5!
