

Describe the arrays and write two number sentences to represent the array.

Array	Description - Rows	Description - Columns	Number sentences
	_____ rows. _____ in each row.	_____ columns. _____ in each column.	$5 + 5 + 5 = 15$ $3 + 3 + 3 + 3 + 3 = 15$
	_____ rows. _____ in each row.	_____ columns. _____ in each column.	
	_____ rows. _____ in each row.	_____ columns. _____ in each column.	
	_____ rows. _____ in each row.	_____ columns. _____ in each column.	

Build your own arrays using counters. Record your results in the table below.

Array	Description - Rows	Description - Columns	Number sentences
	_____ rows. _____ in each row.	_____ columns. _____ in each column.
