NEWSLETTER

AUTUMN HAS ARRIVED

Parents Evening

We are pleased to inform you that our Autumn Term Parents' Evenings will be taking place over the coming weeks. Appointments will be via telephone conversations this term. However, if you do have anything you would like to share with us about your child beforehand, you are more than welcome to contact your child's class teacher via the class email. Your child will be bringing home a letter on Monday, which will need completing and returning to school to finalise all of the arrangements.

Flu Vaccinations

The School Nursing Team will be carrying out their annual flu vaccination programme on Monday 5th and Tuesday 6th October. A letter and link to the online consent form have been posted on our website under the 'Parents' section. There is also an Immunisation Consent Update from the Nursing Team which we have posted in the same section for those of you who may be experiencing problems with the consent.

Parking

We are only a few weeks into the new term and sadly we have had numerous complaints about parents/carers parking around the area of Church Lane, Richardson Close and Midfield Road. Can we politely ask that when dropping off and picking up you park in a responsible manner ensuring you are not parking across residents' access and on the verges around the area of the school. Can we also remind parents that they must not park or drop children off in the yellow box area outside the school gate. This is for access and emergency and vehicles must not stop in this area for the safety of pupils, adults, other road users and pedestrians. Thank you.

School Music Mark

We are pleased to announce that our school has been awarded the School Music Mark which recognises the value of music as part of the curriculum along with actively engaging in improving the music education provision within our school community. We work with Mrs Townell who comes into school weekly and, along with our Music Coordinator Miss Dalmedo, seeks to constantly expand the music provision we offer our children. Well done to everyone!

Harvest

This year we will be celebrating Harvest in a different way and will be holding harvest celebrations in our class bubbles. As we are unable to accept donations into school to distribute we are inviting parents to donate any tinned foods, dried foods or any type of food stuffs (not fresh food) you can

#HelloYellow

We are very aware of the effect that the recent COVID-19 pandemic has had on children's mental health. We also know how hard it is but together we can make a difference and show our children and young people that they are not alone. On Friday 9th October our school are coming together and taking part in #helloyellow which is supporting the mental health and wellbeing of children and young people. We will be spending the day taking part in lots of fun wellbeing activities and looking at ways we can all support each other. In support of #helloyellow all we ask is that children come to school in something yellow and make a donation to raise vital funds to support this mental health charity. Let's come together and feel positive about the future!

ParentMail – Text Service

All of our new parents should have now received a text message giving instructions on how to register for our school text service. Please ensure that you register as soon as possible to ensure that you do not miss any important information messages. If you have any difficulties in registering you can access the ParentMail website www.parentmail.co.uk where there is guidance for parents. To all our existing parents, please ensure via your account that your mobile telephone number is up to date to ensure that you receive important information messages.

Our School Vision

'We hold the keys, you open the doors'

As St Peter holds the keys to Heaven, we hold the keys with which our children and staff will become empowered to unlock their sense of self-worth, respect and spirituality. Our welcoming and inclusive Church school is devoted to nurturing a community where all feel confident in their responsibility to effect positive change in the diverse and modern world we share. In pursuit of excellence, we strive to provide an holistic education that prepares our children with the tools, skills and fervour to become shining rays of light, opening the door to a brighter future for all.
