NEWSLETTER

This week the Local Authority Health and Safety Team visited school to revalidate our COVID-19 Risk Assessment. Although nationally the roadmap out of restrictions looks set to continue the Local Authority have taken the decision not to ease any of the control measures in place in schools for the remainder of the academic year. This means that sadly we will not be able to involve parents in things like Sports Day again this year, however during the week of 21st – 25th June we will be celebrating National Sports Week and the children will be taking part in lots of exciting sporting activities. We are very aware that the children have missed out on a great deal of things during the pandemic but rest assured that we are working hard in school to ensure that our pupils continue to have lots of exciting and fun education and learning experiences during the rest of their school year.

Greek Day – Year 5

On Monday 26th April, pupils in Year 5 were transported back in time for an 'Ancient Greek Day'. The children were able to come to school dressed as a character from Ancient Greece. In the morning, they enjoyed tasting Greek foods such as olives, yogurt, pitta bread and feta cheese. They also took part in a range of activities including investigating images and artefacts, creating timelines and making their own Greek temple using paper, art straws and coloured paper. In the afternoon, the children learned about the daily life of Ancient Greece from pictures on their vases. They created their own vase design in the style of the Ancient Greeks. The children really enjoyed their immersion into their new topic and can't wait to find out more!
