NEWSLETTER

Achievements

We reported on our last newsletter the exciting news that we have several children at our school who are currently playing tennis for the County. Towards the end of last term the children played in their age category competition and we are very proud to share with you the news they have progressed through this tournament to the Nationals! We wish them all the very best of luck – well done!

COVID Symptoms / PCR Test

We would like to clarify the situation with regards to testing. If your child is displaying any of the COVID symptoms as described and detailed on the NHS and Government website, please notify the school immediately and book a PCR test for your child. Results of a lateral flow test are not sufficient if a child has symptoms, it must be a PCR test that is taken. If you have any queries, please do not hesitate to contact us.

New Texting Service

Please be aware that from 31st May 2021 the school is no longer using Parentmail as a platform for our school texting service. Our new management information system has a built in texting service, and from September 2021 we will also be introducing a 'parent app' to enhance communications between parents and the school office. Details of this new facility and instructions will be sent out to all parents at the beginning of the new academic year.

Sun cream and sun hats

The summer weather seems to have finally arrived and we are having some lovely hot, sunny days. Please ensure that you apply sun cream to your children before school to protect them during the day. Children should also bring a sun hat to wear during break times. Thank you.

Adults/carers wearing masks

In order to keep our school community safe, can we respectfully remind anyone dropping off or collecting children from school, if they are able to, please wear a mask when moving around the school site. Thank you for your consideration.
