MESSAGE FROM THE GOVERNORS

It's that time of year again when I have the privilege of being able to write an end of year message to the parents and carers of the Humberston CofE family.

Normally, I would write about how much as a parent I have enjoyed getting involved throughout the year and seeing my children enthusiastic about sports days, nativity plays, enterprise days and so forth. But as you all know, this year hasn't been that type of year and instead I am grateful that we are all well, despite all our different experiences and journeys.

I would like to take this opportunity to give a big thankyou on behalf of the Governing Body to the teaching staff for all the interesting and engaging on-line learning provided via Google Classroom, and the regular contact made. A massive thankyou to the teaching assistants in school every day looking after and supporting the key worker children, not just educationally but emotionally, socially and for making the experience as fun as it possibly could be under the circumstances. Thank you to all the staff who kept the premises clean and safe for our children and all the adults working in the school. Thank you to the office staff for their great organisation, replying to emails, keeping the school running smoothly on a day to day basis. Thank you to the leadership team for leading the school through an experience we hope we never have to face again. AND last but not least...

...THANK YOU to all the parents, carers and families for all your support, in particular with the on-line learning, the positive feedback and comments really has meant so much to all the staff at school. I know it has certainly not been easy re-creating classrooms in our homes, being 'teacher' as well as parent and for many juggling a job as well, but you have done it and for that you should be immensely proud. We are grateful to have such supportive families within our school community. To the CofE children...you have shown immense resilience and we are so extremely proud of each and every single one of you. We wish the Year 6 children who are moving onto their next chapter all the very best.
