— WELCOME —
BACK TO SCHOOL

Following Government guidelines, primary school aged children will no longer be identified as close contacts of positive Covid-19 cases or need to self-isolate, therefore, schools will no longer be required to publish confirmed cases on their school website. As always, we ask that you remain vigilant with your child, looking out for the 3 identified symptoms and follow national guidance on booking a PCR test. Please inform the school of your child's PCR test result.

School Meals – Meal Selector

Could we please ask all parents who have registered for Meal Selector and chosen meals for this term to log onto your account and check you have the correct Class Number for your child. Unfortunately the school cannot access the Meal Selector Ordering System and the reports which are sent to us by Chartwells each week show children in incorrect classes which is turn is causing confusion for who has ordered which meals. Thank you for your assistance.

Class 1 – Mrs McGovern/Mrs Wright

Class 2 – Miss McCoid

Class 3 – Miss Macdonald

Class 4 – Miss Bradley

Class 5 – Mrs Russell

Class 6 – Miss Townley

Class 7 – Miss Woolliss

Class 8 – Miss Knudsen

Class 9 – Miss Randell

Class 10 – Miss Fletcher

Contacting the School

Please be reminded that the class specific email addresses are no longer in operation as advised before we broke for the summer holidays. If you need to email the school, please use office@hcep.co.uk. If your child has an appointment during the day, please ensure you notify the office and collect/drop off your child at the main reception, please do not visit your child's classroom outside of morning drop off and end of day collection time. Thank you.

Flu Vaccinations

During September – December this year the School Nursing Team will be visiting schools to deliver the flu vaccinations to all children in Primary School. The dates allocated for our school are Thursday 14th

and Friday 15th October. This vaccination is recommended to help protect your child against flu, vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu. With COVID-19 still in circulation it is important to reduce the number of those becoming ill with flu this winter to help protect them, the NHS and social care.

To consent to your child receiving the vaccination please access the link detailed below and complete the form by 28th September 2021.

If you have any queries regarding the vaccinations, please email the service on schoolnursingadvice@nelincs.gov.uk or phone 01472 323660.

Reminder – No Nut Policy

Could we please remind all parents to respect our 'no nut policy' to protect those children in school who have allergies. Please ensure that you do not include nut-based foods or foods made from nuts or peanuts (including chocolate/hazlenut spreads) in your child's packed lunch.

Nurture Team

Emotional wellbeing of our pupils always remains a high priority in school and we are pleased to be able to introduce our new Nurture Team, who will be working across the whole school supporting all of our children in a variety of ways. Many of you will already know Mrs Carlton, Mrs Cook and Miss Barrell who will be joined by Miss Willett and Miss Capes. The support will be open to all children each day. Parents or teachers may request support for a child or a child may ask for it themselves through their class worry box. The aim of our nurture team is to build confidence and self-esteem, help children to understand their emotions, support the development of social skills and friendships and provide more specific support for children going through difficulties such as loss and bereavement.

Bikes and Scooters

The bike sheds have re-opened this term to enable children to bike/scoot to and from school. Can we please remind parents that children must not bike or scoot once inside the school grounds and that all bikes and scooters should be left in the bike shed next to the KS2 playground. Thank you.
