Executive Headteacher: Mrs J Everitt

Head of School: Mrs S Ranshaw

School Business Manager: Mrs L Tutass

Issue No. 132– Friday 21st January 2022

NEWSLETTER

We would like to welcome everyone back to school and hope that you all enjoyed the festive season!

Sadly, we find we are still experiencing disruption due to the covid pandemic as we begin the new year. As always, we want to reassure you that we continue to follow our NELC COVID-19 Risk Assessment along with the guidance given to us by the Government, The Department for Education and Public Health in order to keep our pupils, staff and community as safe as we can and to do everything possible to help stop the spread of the virus.

We would like to thank you all for your patience and understanding and we sincerely hope that the situation begins to improve and that our pupils, staff and wider community stay as healthy as possible over the coming months as we do all we can to bring the virus under control.

Thank you.

Weekly Quizzes

Please note, in order to maximise learning time in class, children in KS1 (classes 2, 3 and 4) will no longer take part in regular weekly quizzes. They will, however, be supported with their application of these skills in their daily classwork. Please continue to support your child with learning any spellings and mental maths that are sent home as these will consolidate key skills learned at school. You may wish to complete your own quizzes at home if you feel your child would benefit from this.

Parents App

Before the Christmas break, we launched our ScholarPack Parents App. If you have not already activated your link up code, please download the app 'ScholarPack Parents' and follow the instructions to set up the app. The code lasts 60 days, if you do not link-up in that time you will need to request a new link-up code from school.

The Parents App will allow you to view information held by the school about your child. You will see a percentage overview of your child's attendance, contacts, dietary information, medical information and the app also allows you to report absence. Please visit our website under the parents' tab where you will find a user guide on Setting Up Scholarpack.

North East Lincolnshire Council – Fostering Appeal

NELC's fostering team are increasing their recruitment efforts and are looking to find new foster carers in the local area. The need for foster carers is increasing and fostering is an amazing and rewarding journey that can change a child's life and future.

Foster carers are people who provide a safe and nurturing home for a child when their family is not able to. NELC fostering team have children of all ages and backgrounds in need of foster care and there is no one type of person or family who is the 'ideal' foster carer. NELC welcome foster carers from all walks of life because cared-for children are diverse with many different needs.

If you think you could foster, whether full time or part time, please call the team on 01472 522539 or visit NELC's website for more information.

Thank you.
