NEWSLETTER

World Book Day

On Thursday 3rd March, we celebrated World Book Day in school. The children had a fantastic day taking part in lots of exciting reading activities to inspire a love of reading, during the day the older children spent time with the younger children sharing and reading books together. It was lovely to see the children and staff dressed up as their favourite book characters, some of the costumes were amazing! Please visit the events section of our website to view photographs of the special day.

Cross Country Event

On Wednesday 9th March we took part in the Schools Sports Partnership's Annual Cross Country competition which has not been held for several years due to the covid pandemic. It was so great to see the children coming together to take part in competition again and everyone was ready to put on a good race! The children from across Key Stage 2 represented the school brilliantly after practice sessions on the school field. Everyone gave their absolute best and they should all be very proud of their performance on the day! Well done!

Red Nose Day – Friday 18th March 2022

This year we are supporting Red Nose Day's 'Superhero' theme and we have a fun-filled day planned. On Friday 18th March, we are inviting all pupils to come to school dressed as their favourite caped crusader or alternatively, they may choose to wear something red. All we ask in return is a small donation (suggested £1) which will go to Comic Relief. Alongside a range of activities, each class will also be taking part in a sponsored obstacle course in the hall. If you, or members of your family, feel you are able to sponsor your child for each lap of the course they complete, please fill in the sponsor form your child will be bringing home. Red noses will be available to purchase at a cost of £1.50 each during morning break on 17th March. We look forward to making a big difference and having lots of fun in the process! All donations, big or small, will be gratefully received and go directly to Comic Relief. Please could we ask for all sponsor money to be collected and handed in to school in a named envelope by Monday 28th March.

Big Walk and Wheel – 24th March – 1st April 2022

This year we are taking part in the national initiative Sustrans Big Walk and Wheel which is the UK's largest inter-school walking, wheeling, scooting and cycling challenge to inspire pupils to be amazing and take active journeys to school! Taking part in this initiative is a great way to build physical activity in children's daily routines which is important for their physical health and mental wellbeing and also helps to reduce

congestion and air pollution outside the school gates. On each day of the challenge schools will complete to see who can record the greatest number of pupils walking, scooting or cycling to school. All we ask is that you encourage your child to walk, scoot or cycle to school on as many days as possible during the period 24th March to 1st April. The school's best five days will determine our final position and the school at the top of their leader board will receive an exclusive Sustrans Big Walk and Wheel certificate.

NELC Revisit of Ofsted and Care Quality Commission

In 2018 Ofsted and the Quality Care Commission inspected NELC's services for children and young people with Special Educational Needs and Disabilities (SEND). NELC have advised us that on Monday 21st March to Wednesday 23rd March 2022 a revisit will take place to examine the progress made since their visit in 2018. The local authority has asked schools to share the letter from Ofsted and the CQC with parents which includes a link to give you the chance to get involved in the visit and share feedback on the services you use. To view this letter, please visit our website where the letter appears under the tab 'News and Events', 'Newsletters'. Thank you.

Parent Governor Vacancy

We currently have a two vacancies for parent governors, please check your email as information about the role of a parent governor and the application form has been sent electronically to all parents.

Lateness

Can we please remind parents of the importance of arriving at school on time. The classroom doors open at 8.45am in order that children can arrive, settle and be ready to start learning at 9.00am. Arriving late means that children can miss important input to the lessons at the beginning of the day and then have to spend time catching up what has been missed. Punctuality is an important life skill that follows us through not only our education days but also into adulthood and our working life. Thank you for your support.

Appointments

We have seen a large increase in the number of children leaving early for various different appointments during the school day. Whilst we fully understand that it is very difficult to get appointments at Doctors Surgery's and Dental Practices, can we please ask parents wherever possible to make the appointment outside of school time. If you do need to take your child out of school during the school day, please telephone or email the school office with as much notice as possible. Thank you for your consideration.

Our School Vision

Unlocking possibilities, making a difference

'I can do all things through Christ who strengthens me' Philippians 4:13
