Cricket Competition – Cleethorpes Cricket Club

On Tuesday 24th May a group of our Key Stage 2 children took part in a local schools' cricket competition. The children had been attending practice sessions during the past few weeks and were eager to try out their skills on the cricket pitch! They all played brilliantly and thoroughly enjoyed the competition, winning the overall award for showing respect and working as a team. Great achievement – well done!

Parent Internet Safety Workshop

Many thanks to all of the parents who attended the informative parental workshop led by Internet Safety expert Alan McKenzie on Wednesday 25th May. The workshop covered a variety of aspects linked to online risk management and gave real-life case studies and practical advice showing how to minimise the risks to our children. We were given an awareness of sadly, how easily children can be exploited on simple games and platforms such as Roblox and Fortnite and showed how parental settings can be overridden. In the ever-changing world of technology, it was helpful to take time to consider the complexities of being a child in the modern world of technology. For further guidance, more information can be found at Internetmatters.org.

Year 3 & 4 Parent Music Workshops

This week we invited the parents in Class 6, 7 & 8 in to school to take part in a music workshop. This academic year the children have been learning to play the violin and were able to share with their parents what they have learnt so far! It was then the turn of the parents who were encouraged to have a go and play alongside their children. It was so nice to have parents back in to school and we are looking forward to many more occasions when we can share with you all the wonderful things that the children learn about!

Queen's Platinum Jubilee Celebrations

We have had a great day today celebrating the Queen's Platinum Jubilee in school! The children all made crowns at home and wore them to school, so much hard work and effort had been put into the making of some amazing creations, well done to you all - Mrs Newby, Governor who came in to school to judge the crowns found it a very difficult job to choose a winner! Throughout the day the children took part in lots of fun, creative learning activities about Queen Elizabeth and her reign as Monarch. To mark this very special occasion the children all received a commemorative mug to take home and keep.
