Class 5 Trip – Gainsborough Old Hall

This term Class 5 have been learning all about 'The Tudors', Henry VII and his son Henry VIII; all the different types of Tudor building and what materials they were made from and we have even practiced some Tudor dancing! To extend our classroom based learning, on Thursday 9th June we visited Gainsborough Old Hall and were excited to visit an old Tudor building and to be able to see in real life what the children had been learning about in school. We had a tour of the beautiful house and looked at the rooms which were still in their original condition. The best part of the trip was when we had to assist preparing a feast for none other than King Henry VIII! The children all dressed up in costume and played their parts, we even had Henry VIII and Catherine Howard come and visit us! We learnt about how people had different levels of importance, which determined where in the Great Hall they were allowed to be seated and what cutlery they had. During our role play for the feast we had a food taster to make sure that Henry's food was not poisoned, a jester to tell jokes and we even had some juggling - luckily Henry VIII really enjoyed the feast and we all got to keep our heads!

We had a fantastic time and really enjoyed experiencing first-hand what a real Tudor building was like. Class 5 behaved so well and joined in with all the activities and role play enthusiastically. The staff at Gainsborough Old Hall commented on how brilliant the children were – well done Class 5 you represented Humberston C of E extremely well, you should be proud of yourselves!

School's 50th Anniversary Celebrations

As preparations for our 50th celebration day continue, you'll notice that your child has come home tonight with a '50 things to find out about 1972' booklet.

We would love for you to spend some time as a family researching what life was like in 1972 and answering as many questions in the booklet as you can! Please could children bring the booklet with them to school on Tuesday 28th June, as there will be time that day for each class to discuss their findings.

We have received some lovely memories and photographs from parents and friends of the school but would still like more for our displays, if you have not yet filled in one of the memory forms please call in at the office to collect one. Thank you for contributing to our special day.

Celebration Worship

We are really excited to be able to resume inviting parents along to our celebration worships which take place on a Friday morning. Each week the Class Teachers choose a 'Star of the Week' and the child's parents are invited along to a special celebration worship where the children receive a certificate. We will inform parents via our Scholarpack App Text Message service so if you are not registered, please contact the office as soon as possible for a verification code to allow you to set up the app. If your child is chosen and you receive a message, please do not tell your child as this is a surprise and the children do not know until the actual worship takes place! We will be re-starting our Celebration Worship on Friday 24th June at 9.00am so please keep an eye out for any messages. Thank you.
