NEWSLETTER

Hot Weather

It is likely to be very hot on Monday and Tuesday next week. Please remember to bring sunhats and apply suncream in the morning as usual. If you wish for your child to reapply their own suncream to themselves before lunch, please hand a named bottle of suncream to your child's class teacher who will look after it. Please ensure your child has a named water bottle in school.

Football Freestyle Champion!

On Tuesday 5th July, the children had the opportunity to work alongside Jamie Knight, a freestyle football champion. Jamie started the day with a whole school assembly, where he demonstrated some of his fantastic skills. The children also asked Jamie lots of questions about his career so far. During the day Jamie delivered skills workshops for all classes. The children were excited to learn lots of new freestyle football skills and had lots of fun in the process!

Foundation Stage Visit to The Deep

As part of this term's topic, Class 1 had a fantastic day trip to The Deep last Thursday. The children were able to get so close to amazing sea creatures and loved walking through the underwater tunnel. They enjoyed trying on diving equipment and pretending they were divers exploring the deep blue sea! Class 1 thoroughly enjoyed themselves on their first school trip and behaved wonderfully.

Year 4 & 5 Trip Lincolnshire Life Museum

On Friday 8th July, Year 4 and 5 enjoyed a wonderful day at the Lincolnshire Life Museum. The children looked the part in their fantastic Victorian costumes as they were transported back in time to experience what it would be like as a child in a Victorian schoolroom. It was great to see them immersed in the home life of the rich and poor Victorians. We learned all about the differences between shops now and then. Finally, we enjoyed finding out all about industry and transport. It was a fun filled day, enjoyed by all.

Year 5 Bikeability

Congratulations to the year 5 pupils who have all passed their Level 1 and 2 bikeability training. Bikeability is a cycle training programme that teaches children practical skills and gives them the understanding and expertise they need to ride their bikes on the road. We were so proud of the way the children conducted themselves. It was great to watch the children grow in confidence and learn skills they need to ride on the local roads. They should be very proud of themselves!

Year 1 & 2 Trip Normanby Hall

This week Class 2, 3 & 4 went on their school trip to Normanby Hall. The children took part in a woodland detective's workshop where they investigated different types of trees and looked at the animals that live in that habitat. The children also walked around the walled gardens and looked at Normanby Hall itself and did some observational drawings of the environment. The children really enjoyed their visit, especially as the weather was so great!

Uniform Policy

Please note the following changes to the Uniform Policy for September 2022, which can be found in full on our school website.

Children are now able to wear grey or black culottes in addition to shorts, skirts, trousers and dresses. Children must wear flat, sensible, supportive, smart school shoes, boots or trainers, which are black. If you choose trainers for daily wear, please ensure they are black with no different coloured soles. Any motifs or logos should be small and discrete.

We would like to wish you all a very happy and safe Summer break and look forward to welcoming everyone back in September.

Our School Vision

Unlocking possibilities, making a difference

'I can do all things through Christ who strengthens me' Philippians 4:13
