Harvest Festival

To celebrate Harvest this year we are holding our Harvest Festival Services at St. Peter's Church next week. We would like to ask parents and children to donate either tinned foods, packets of dried food or any other type of food stuff (not fresh food) that you may be able to spare. This year we will be supporting CARE (Christian Action Resource Enterprise) who work to provide short term relief of food poverty in the area. Please bring your donations into school by Monday 26th September 2022. Thank you in advance for your generosity.

Mini First Aid

After the success of last year's Mini First Aid Workshops, we have booked the trainer to come in to school and work with the children again. Mini First Aid Lincolnshire will be visiting us on Tuesday 11th October, Wednesday 12th October and Thursday 13th October to work with the children in each year group. Each session will be targeted with age appropriate activities and will include practical, hands on experiences for all the children and enable them to gain valuable life skills.

Parent Helpers

We are really pleased we have been able to re-open the doors to parents and we are now looking to extend our partnerships further by having parent helpers in school. The role would encompass a range of different aspects of school life such as listening to children read, sticking work in books, preparation of resources, accompanying us on school trips and general classroom support working under the guidance of a teacher. Roles may be based within your own child's class or within a different class and full support would be given to help you feel confident with any aspects of your role so previous experience is not necessary. As this is a voluntary role, we are able to work around your commitments. If you feel this is something you are interested in and you would like to help us with our vision of making a difference to the children, please contact the school office. We are committed to safeguarding children at our school and follow strict safeguarding and confidentiality procedures.

St. Peter's Church Tercentenary Celebrations

On Sunday 2nd October 2022 St. Peter's Church are holding a special service at 11.00am to celebrate their tercentenary. This is to mark 300 years since the church was rebuilt after being closed for 150 years, the church tower remained and dates back to the 12th century. The service will be a celebration, singing the village's favourite hymns and will be led by Rev Christopher Deakin. The children, through our Collective Worship Council have chosen our favourite hymn and have also written a speech which will be read out during this service. Everyone is welcome to join in this special service of celebration.

'Keep the light shining' Grief Awareness Week

We would like to invite people of all ages to create a picture of a lost loved one inside a yellow circle to represent the sun. This is based on a grief book 'The Lady Who Came From The Sun' written and illustrated by two members of our school community, Elsie in Year 3 and her mum who wanted to honour Elsie's grandmother's memory. The collated images will go on display at Grimsby Top Town Market during Grief Awareness Week on Saturday 3rd December, with special guests and free colouring activities available. If you would like to take part, please give your completed pictures to your class teacher with your full name on the back by 18th November. You may also wish to include the name of your loved one within your picture.
