Class 1 & 2 Dentist Workshop

On Tuesday 31st January our youngest children thoroughly enjoyed a visit from the dentist, where they learnt about how to keep their teeth healthy. They were shown how to brush their teeth effectively, how long for and when they should do this. It was also really interesting for them to see how much sugar was inside a range of different foods and drinks. They also learnt some fun facts about teeth! The dental nurse commented on the children's impeccable behaviour and fantastic listening skills.

World Book Day – Thursday 2nd March 2023

As previously reported we are celebrating World Book Day on Thursday 2nd March 2023. Attached to this newsletter please find your child's World Book Day token. This can be used to get a free book from the selection detailed on the voucher or used as £1.00 off any book worth more than £2.99 from your local bookseller. On World Book Day we are inviting children to come to school dressed as their favourite book character and during the day we will be doing lots of fun reading activities to foster a life-long habit of reading for pleasure.

Butterfly Mums

As a school we have been made aware of a new project in North East Lincolnshire called Butterfly Mums which is an organisation of volunteers whose aim is to support mums and their families in differing situations. They have asked us to share the information with you as they are seeking families who would benefit from the service or who would be willing to volunteer their time to support others. Please see the article on our website for further information.

Picture News

Your children may have come home in recent weeks, talking excitedly about 'Picture News' – a wonderful new resource we've introduced at school. It introduces children to a particular story from the news each week and provides further opportunities for discussion and reflection. It is already widening our pupil's understanding of the world, giving them the confidence to share their thoughts and ideas and developing their communication skills.

The resource supports our school vision perfectly - it is inspiring our pupils to make a difference in the world we live in and many children have shared stories with us of how, after taking part in Picture News sessions, they have donated money to animal charities and sent food packages to Pakistan in the wake of recent floods there. Each week there is the opportunity for us to send some of the children's thoughts and comments to

the creators of Picture News, with the possibility of them being printed in the following week's resource. If chosen, the child's first name will be displayed next to their comment. Please let your child's teacher know if this is something you'd like to opt out of.

We'd like to extend this exciting resource to you at home. This afternoon, your child has brought home some more news stories to share and enjoy together, along with details of the particular news story looked at in school this week. Please feel free to jot down comments in the allocated box and return to school to share with us! Look out for these half termly.

Reminder - Class Worships at St. Peter's Church

Each Wednesday classes take turns to plan and deliver their own worship at St Peter's Church. If you would like to attend your child's worship, please drop your child off at school that morning as normal and make your way to church. The class will then arrive at church at around 9.10am. We look forward to seeing you there!
