Class 8 & 9 Walk in the Community

This week, as part of the Year 5 Young Leaders Award, classes 8 & 9 went on a community walk around local area, identifying needs in the community. The children spoke to people in the local area to find out if they felt anything was missing or what they thought would be good ideas to improve the community. During their walk children looked at what services are provided for people in the community and what places are available for people meet up. The children analysed their findings back at school to identify areas for change/improvement as part of their project.

Year 5 Cricket Tournament

On Tuesday 13th June, a group of our Year 5 children represented the school by taking part in a mixed cricket competition held at Grimsby Cricket Club. With five schools to play against, the Humberston team knew that they had to put up a solid performance from the start and that is just what they did. Leading the way with the first game being won, our team continued their winning streak throughout the competition.

A day of superb batting partnerships, numerous 'sixes' 'fours' and 'wickets' and all round incredible teamwork led the team to winning all 5 of their games which secured their position as the Year 5 Mixed Cricket Champions of 2023. As well as this, the team now have the opportunity to progress to the Lincolnshire County Cricket Year 5 Mixed Cup which will be held in a few weeks' time.

Congratulations to the children who took part, they were incredible role models and representatives of our school.

Year 2 & 3 Trip to Magna

On Thursday and Friday our Year 2 and 3 visited Magna Science Adventure Centre. The children explored the four pavilions; water, earth, fire and air. In each pavilion, they had an interactive experience and enjoyed taking part in a variety of science based activities. During the Year 2 trip they watched a materials show and the Year 3 Trip took part in a forces workshop. Both year groups had a fantastic time and learned lots of interesting science facts. Keep an eye on the website, photos from both trips will be posted on the Class pages.

Your child will need a bottle of water and a sun hat to take out with them and you may wish to apply sunscreen in the morning before bringing your child to school.

Children should come to school in their PE kit and wear this for the whole day. We would like children to wear a T-shirt in their team colour, team colours will be sent home with your child separately. If you are unable to find a T-shirt in the correct colour, we do have some coloured bands that can be used instead. We ask that the children do not wear any jewellery on this day.
