Playground Equipment

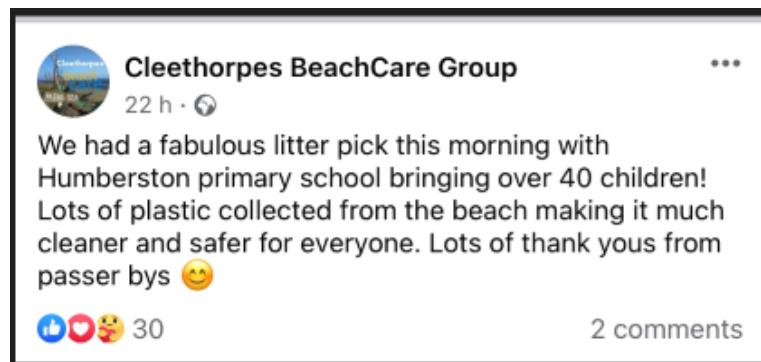

Can we politely remind parents that use of the playground equipment is not permitted before school starts and after school has finished. This is to protect the children and for their safety as the playground areas are not supervised during this time. Thank you for your consideration.

Year 5 Trip to Cleethorpes Beach

Our Year 5 cohort took to Cleethorpes beach on Monday 19th June 2023 to complete a beach clean alongside Zoe Birkill (from Cleethorpes Beachcare Group). As part of their Young Leaders Award, the children were required to complete a 'Community Project' to help make a positive difference in their local community. After completing their local community walk the previous week, the children discovered that litter was a huge problem in the local area and so decided that a community litter pick at our local beach would be a great way to start helping the local community.

At first it appeared that there was not a lot of litter due to the local council clear up post Armed Forces Weekend however, they soon discovered that there was a range of litter in lots of hidden locations across the beach and in the marshes. Many of the children got rather competitive whilst collecting the litter and were even complemented by members of the public who stated, 'Keep it up!' or 'WOW! What a credit you are to your school.'

The children were fantastic and attached is a comment that Zoe Birkill shared on social media about the morning with our children.

Accounting Officer: Mrs L Tutass

School Business Manager: Mrs L Tutass

On Thursday morning last week Class 1 and Class 2 welcomed their relatives into school to take part in a Pirate Workshop. The event began with the children performing a pirate song and sharing work they had completed during their Pirate topic. The children spent the remainder of the morning with their guests creating a pirate ship out of recycled household packaging. Both children and adults had a fantastic time together and produced some amazing model ships!

Sea Creatures – Foundation Stage

This week the children in Foundation Stage were incredibly lucky to have an amazing, up close encounter with a range of different sea life. We were very fortunate that a grandparent, with many years' experience in the fishing business, was able to come in and teach us so many interesting facts about a range of sea creatures. The children thoroughly enjoyed observing and touching octopus, lobster, crabs, salmon, trout, sole, oysters and so much more. They came up with some great questions to ask and learnt so much!

Skippping Festival

We would like to congratulate all of our skippers who represented the school in the annual skipping festival held at The Grimsby Auditorium. The event was thoroughly enjoyed by all with the pupils working together to perform various tricks to a choreographed routine, kindly organised by Mrs Turner and Miss Randell. We were the only school to perform the Double Dutch technique and we even had a one-handed cartwheel! The children did a fantastic job and we were all so proud. Thank you to all of the family members who supported us in the audience.

Year 6 PGL Trip

Our Year 6 children have spent the last three days at PGL, Caythorpe Hall in Grantham and arrived back at school this afternoon having had the most amazing time! They have taken part in some fantastic team building activities and the evenings were also full of fun time games. We are sure you will hear all about it from your children over the weekend as they all thoroughly enjoyed the experience of a residential trip at an activity centre.

Summer Activity Clubs

As the summer holidays are fast approaching, we have been receiving flyers from a variety of organisations who arrange and run Summer Activity Clubs in our area. Please visit our website under the Parent Information Tab to find out more about fun activities that are available for your children.

Our School Vision

Unlocking possibilities, making a difference

'I can do all things through Christ who strengthens me' Philippians 4:13
