Golf Workshop

On Tuesday 4th of July, PGA professional Stuart Warren visited school to deliver a golf workshop for all the children. Throughout the day, the children took part in a range of activities from putting to driving and received some super coaching tips from Stuart. Most importantly, all of the children had lots of fun and for many it was an exciting chance to engage in a new sport!

Lincolnshire County Cricket Final – Year 5

After qualifying for the Lincolnshire County Cricket final, our Year 5 mixed team headed to Hartsholme Cricket Club, Lincoln, on Tuesday 4th July to see if they could maintain their winning streak. Playing against 5 of the top teams in the county, our boys and girls were able to display some phenomenal team work, fantastic batting and even tighter fielding!

With some incredible players and teams present on the day, Humberston placed 5th in the cup final! Their incredible efforts and sportsmanship did not go unnoticed as they were the proud recipients of the Sports Values certificate for respect and showing the 'Spirit of cricket'!!

To be placed 5th out of approximately 100 schools in the county is a huge achievement for our team and one which they should be incredibly proud of - well done team!

Foundation Stage Trip – The Deep

On Wednesday 5th July Class 1 and Class 2 went on an exciting day trip to The Deep in Hull. Our topic for the term has been The Seaside so it was fantastic for us to explore the huge aquarium at The Deep and see the variety of sea creatures that can be found in the oceans of the World. We ended the day with an exciting story and found out about the equipment divers use when they venture into the ocean!

Year 6 Boys Football Team

On Monday 10th July, our Year 6 boys represented school for their final time as they took part in a friendly football match against Old Clee Primary Academy. With two teams being able to take part, the boys formed a 'develop team' whilst the others formed our 'compete team'! As always, both teams got stuck in from the off and managed to play the ball successfully between each other whilst holding up a strong defensive line against the opposition. Despite our boys scoring goals and making things difficult, Old Clee put forward some strong presses and attacks on goal which saw both of their teams win their games. Graceful as ever in defeat, our boys gathered at the end of their games and showed not only great sportsmanship towards their opposition but an incredible amount of respect towards each other too. Each boy picked a player and shared a positive comment about them which just shows what great footballers/team players they really are. It has been a real pleasure for Mrs Hackfath to watch both their football skills and sportsmanship develop over the years and she wishes them all the best with what will no doubt be amazing futures playing/coaching football! Thank you to all staff and parents who attended and supported this event!

Year 5 Bikeability

Congratulations to our year 5 pupils who have taken part the Level 1 and 2 bikeability training. Bikeability is a cycle training programme that teaches children practical skills and gives them the understanding and expertise they need to ride their bikes on the road. We were so proud of the way the children conducted themselves, the trainers commented 'The group were fantastic! One of the best we have had! The ability of the group and their behaviour was fantastic'. It was great to watch the children grow in confidence and learn skills they need to ride on the local roads. They should be very proud of themselves!
