Phonics Workshop

On Wednesday 20th September Miss McCoid and Mrs McGovern led a phonics workshop for Foundation Stage parents/carers and any other parents looking to gain further knowledge of the way in which phonics is taught in school. Parents had the opportunity to look through some of the resources used during phonics sessions and left some lovely comments about how clear and informative the session was. The PowerPoint presentation shown during the session has been uploaded to the school website for those who were unable to attend.

Please visit our website under parent information to find out more about this very important vaccination.
