NEWSLETTER

We would like to welcome you all back for the Spring Term and hope you enjoyed the festive season!

Christian Value Worship – Class 9

On Wednesday 10th January, Class 9 held a very special worship to introduce this term's Christian value, service. During the worship the children acted out the story of Jesus washing his disciple's feet which signifies Jesus' willingness to humble himself in service of others, no matter who you are; they also read out poems which shared this message. Thank you to Class 9 and all the parents who came along to share in this worship.

School Day

Can we please remind parents that we open the school to pupils at 8.45am ready for a prompt 9.00am start. Please be aware that children should not be arriving before that time as the playground / school grounds are not supervised. Thank you.

Cold Weather Clothing

As the cold weather seems forecast for some time to come, please ensure that your child has a warm winter coat with them in school as we will continue to go outside for break times, children can also bring hats, gloves and scarfs to keep warm, please ensure all items are named. Similarly, can you please ensure that your child has a warm tracksuit (dark and plain) for outdoor PE.

Compass Go Survey

We have been requested by Compass Go to share the following link to parents regarding a child mental health and wellbeing survey. If you could spend a few moments to complete the survey, we would be very grateful.

Year 4 Multiplication Tables Check

In June, all eligible pupils in Year 4 across the country will take part in a Multiplication Tables Check. Being able to recall multiplication tables at speed places children at a greater advantage as much of the learning within mathematics hinges on this very important skill. The check takes around 5 minutes to complete and is completed online. For further information, please see the parents section of our school's website. If you have any questions, please do not hesitate to ask.
