Water Safety Talk – RNLI

On Monday 19th February the year 3/4 cohort had a special visitor from Cleethorpes RNLI to discuss local water safety and what the role of the RNLI is around the UK. The children spent 30 minutes finding out about the history of the RNLI, the jobs that they undertake and what kind of vessels are used in our local area. After the talk, the children were able to ask lots of questions and some classes saw a demonstration of how the kit went on and how long it took for the volunteers to get ready. In classrooms, we then spent most of the morning exploring the different signs of danger near beaches and rivers and had to identify what the different flags represent to help keep us safe.

All of this was provided voluntarily, however there is a lifeboat charity box at the office if anybody wishes to make donations towards the RNLI charity.

Year 6 Spanish Workshops

Last week Class 9 and 10 invited their parents in to school for a Spanish Workshop! The children along with their parents were tasked with creating a Traditional Spanish menu. They had to use technology and their own knowledge to create a restaurant name, design a menu that consisted of Spanish cuisine, think about the currency and prices of their menu and make it visually appealing for consumers!

All the children and their teachers would like to thank the parents who attended for all of their hard work!

Year 3 & 4 Athletics Competition

On Thursday 22nd February a group of children from Year 3 & 4 attended the finals of an athletics competition at Franklin College. The children came 5th on the day which put them 13th out of 25 other local primary schools. Every pupil showed resilience and determination in both their track and field events such as relay races and high jump. Children had the opportunity to try new events which has allowed them to unlock new possibilities and make a difference for themselves. Great fun was had by all and there were lots of smiles and cheering. Well done to all who took part!

Year 5 Young Leaders

On Wednesday 28th February, a group of children from Year 5 took part in a Sports Leadership Carousel at Clee Academy. They enjoyed learning a variety of games that they can lead in school and the different ways that they can adapt those games using the STEP Principle. The children, who worked extremely hard, thoroughly enjoyed their active morning. We cannot wait for them to share their new leadership skills in leading sports in school!
