World Book Day – Thursday 7th March 2024

On Thursday last week we celebrated World Book Day in school! It was fantastic to see the children enjoying stories and being inspired by different authors. Throughout the day, classes created book covers inspired by illustrators, wrote their own blurbs for different books and retold and acted out parts of well-known stories and fairy tales. We also swapped classes and the older and younger children had the chance to read their favourite books to each other. It was such an enjoyable day and it was lovely to see all of the creative outfits!

Red Nose Day – Friday 15th March 2024

Today the children have had an amazing day raising money and keeping fit in support of Red Nose Day. Each class took a turn to complete the Super Mario themed obstacle course which included Bowzers castle, golden coins, banana skins and lots of other iconic Super Mario items! A big thank you to all those who have already donated via the just giving page. If you would like to make a donation, please do so online using the QR code below or following the link. Thank you

interesting books on offer, do not forget your World Book Day voucher if you have not already used it! We are unable to accept cash therefore payment for the books will be via a QR code.

ParentPay Activation

We recently sent home information about the new ParentPay cashless system we are introducing at school. We will be using ParentPay to book and take payment for breakfast club, school trips and school run clubs. Cheeky Monkey's After School Club and the after school activity clubs run by outside agencies will remain unchanged.

Today you will have received an email containing your activation information, if you have more than one child in school, you will have received an activation code for each child. The ParentPay system does have the ability to add more than one child (siblings) on your account, however you will need the activation code for each child to be able to add them together, therefore please do not delete duplicate emails before retrieving the activation codes. Once you activate your account, you will be able to find the information for adding another child. There is a help function within ParentPay to assist you in setting up your account, however if you have any problems, please do not hesitate to contact the school office.

Our School Vision

Unlocking possibilities, making a difference

'I can do all things through Christ who strengthens me' Philippians 4:13
